

A Motorcycle Accident

- (1) A motorcycle accident in Provo killed two teenage girls late last night.
- (2) The accident happened at 11:00pm in a residential area.
- (3) The two girls, who were both 19 years old, rode together on one motorcycle.
- (4) They were returning to their two bedroom small apartment after finishing their part-time jobs.
- (5) There was little traffic on the road; however, one particular car was swerving in and out of lanes.
- (6) The driver of that vehicle was a single mother, aged 29 who had been drinking at a local bar with some friends.
- (7) The drunk driver ran a red light and collided straight into the teenage girls.
- (8) A policeman called an ambulance for the teenaged girls who were thrown off their motorcycle into the intersection.
- (9) The drunk driver was also rushed to the hospital in a separate ambulance.
- (10) The two teenage girls were pronounced dead upon arrival and the drunk driver walked away with minor cuts and bruises.
