

Football Fanatics

- (1) The crowd was roaring as the biggest football game was approaching its half time review.
- (2) This has become one of the most exhilarating and close games in college football history.
- (3) When the marching band lined the field, and the cheerleaders prepared their dance program, the crowd was as boisterous as ever.
- (4) As the half time show was brought to an end, three eccentric students who were football fanatics decided to add their own excerpt to the lineup.
- (5) They ran stark naked with their school's initials painted on their stomachs and rear ends.
- (6) The police tried diligently to catch the students in a short cat and mouse chase on the field.
- (7) One by one they caught the three exhibitionists, who bowed deeply and smiled to the audience.
- (8) Luckily they were only fined with indecent exposure.
- (9) This was definitely the most entertaining and animated game ever.
