

Air Born Baby

- (1) An appalling incident occurred aboard Turkmenistan Airlines' international flight TA405 for New Delhi.
- (2) A 22 year old woman had suffered from strenuous stomach pains from the instant she sat on the plane.
- (3) It seemed to be more than hunger pains.
- (4) As she could barely walk to the washroom, a gentleman next to the bathroom opened the door for her.
- (5) She immediately sat down and began to scream in pain.
- (6) Passengers near the washroom were in shock and became worried about the poor girl.
- (7) She left the bathroom with a strange yet relieved face.
- (8) As the plane touched down in India, the girl walked off the plane and blended into the crowd.
- (9) Later the flight crew found a baby with his head lodged into the toilet hole.
- (10) The young girl, in a panic, had tried to flush her new born baby down the toilet.
- (11) They immediately tried to save the baby, however it had turned blue and died in the toilet before they could extract him.
- (12) The mother was arrested and charged with murder.
